

AT WANAMAKER'S

SHORT, SHARP, POINTED.

The royal welcome extended to our Store touches its zenith in the Christmas shopping.

Our twenty-five hundred employees have done good and faithful work, but the splendid purchasing of our visitors has for a few days overtaxed the resources of even our great organization.

We begin Christmas week with readjusted stocks, refreshed employees, rested horses, and our entire store system well in hand for greater work.

The Store news is limited to one line for each important item.

Cutaway and Frock Coats and Vests, \$9 to \$30.

This is positively a shoe made on scientific principles, and possesses three advantages above ordinary shoes: 51st St. and Madison Av.
Monday, Dec. 22nd, 10:30.

1st. Cordovan is smooth and softer than French calf, and shows a higher lustre when polished. 51st St. and Madison Av.
Monday, Dec. 22nd, 10:30.

2d. Invisible Cork Sole is a positive preventive against cold or dampness striking through the sole and reaching the foot, offering protection without additional weight or forfeiting neatness. 51st St. and Madison Av.
Monday, Dec. 22nd, 10:30.

3d. By substituting Natural Wool instead of Leather the shoe is as flexible as India Rubber, and is a non-conductor of heat and cold. 51st St. and Madison Av.
